Actually, a couple more things.

- 1) The 'we are here' should be above the proposed plan box.
- 2) And if you can make the header text smaller like the example I provided that would be better. If possible, I'd like to stick to the same dimensions as the example graphic I sent you. Otherwise all my text is going to be shifted and I have everything formatted around that sized graphic.

Tonya –

Here's the latest graphic. Let me know what changes you would like.

Thanks,

Mike
